Requires a city that posts ordinances on its Web site to also post proposed ordinances.

Requires a city that has an e-mail address from which it sends notices or information:

- to allow businesses to sign up for notice of proposed ordinances; and
- to notify a business how to sign up when it applies for a new or renewed license.

Provides at least a 10-day notice by e-mail before an initial hearing on an ordinance.

Requires a city that does not have e-mail notification to post notice of a proposed ordinance in the same location as other public notices.

A city may provide more notice. Failure to provide notice does not invalidate an ordinance.
